

Education Providers of Acceptable Adult Education Instructor Training Courses

As of January 1, 2016, instructors of Qualifying and Non-Elective CE courses must provide proof of completion of a minimum of 8 hours of instructor training in adult education techniques in the last four years. Holding a current CREI, DREI or CDEI designation as well as completing the ITI program will also satisfy this requirement. Following is a list of acceptable adult education instructor training courses:

Austin Institute of Real Estate – Adult Education Instructor Training – 8 hours
