REAL ESTATE LICENSEES MAY NOW RENEW ON-LINE

More than 110,000 Texas real estate brokers and salespersons now have the ability to renew their licenses twenty-four hours a day, seven days a week over the Internet.

The Texas Real Estate Commission (TREC) became the first state agency to provide for on-line license renewals when it implemented the option for real estate brokers in August. Now real estate salespersons can also take advantage of this new process for renewing licenses.

In addition to providing the convenience of twenty-four hour access, individuals who renew on-line can immediately obtain written verification of their license status and access the advantages of credit card payment.

Real estate brokers and salespersons can renew on-line by accessing either the Texas Real Estate Commission site at www.trec.state.tx.us or by going to Texas OnLine, the new web site providing access to a number of government agencies. In addition to license renewals, the TREC site provides a wide range of information and materials for licensees as well as a connection to sources for consumer information.
