The Texas Real Estate Commission invites applications for appointment to two open public member positions on the Real Estate Inspector Committee.

This advisory committee's purpose is to make recommendations to the Commission regarding a variety of inspection-related matters toward the goal of ensuring a high degree of service to and protection of the public in dealing with inspectors. The committee consists of six professional inspectors and three public members. Two public member seats are currently open; one expires in February 2011 and the other in February 2015. Following the Commission's model, the public members cannot hold occupational licenses in the real estate field (e.g. appraiser, real estate broker/salesperson, mortgage broker, etc.); however, a municipal development planner, construction or safety code enforcement official, commercial banker or CPA would be permitted.

The committee is permitted to meet by teleconference, although it is anticipated that some travel to Austin may be necessary. Limited funds may be available for travel reimbursement, but due to legislative restrictions, the Commission is not able to compensate members for their time. All committee meetings must comply with the Open Meetings Act.

Individuals wishing to be considered for appointment should send a letter and resume to the Texas Real Estate Commission, Attn: Administrator, P.O. Box 12188, Austin, TX 78711-2188, by fax to 512-465-3910, or by e-mail to administrator@trec.state.tx.us. Materials must be received at TREC no later than Monday, April 12, 2010.

The mission of TREC is to assist and protect consumers of real estate services and foster economic growth in Texas. Through its programs of education, licensing and industry regulation, the Commission ensures the availability of capable and honest real estate service providers.
