

**Texas Real Estate Commission
Chapter 535, GENERAL PROVISIONS
Rules Adopted at the November 15, 2010 Commission Meeting**

**Subchapter A. General Provisions
Relating To the Requirements of
Licensure
§535.1**

The Texas Real Estate Commission (TREC or the commission) adopts the repeal of §535.1, concerning License Required without changes to the proposed text as published in the September 10, 2010, issue of the *Texas Register* (35 TexReg 8248), and will not be republished.

The subchapter is renamed from "General Provisions Relating to the Requirements of Licensure" to "Definitions"; the rule is repealed because the subjects addressed are covered in new amendments to Subchapter B which TREC is simultaneously adopting as part of a comprehensive rule review of 22 TAC Chapter 535. As the reformation of the subchapters comprehensively addresses the subjects of the repealed rule, repeal of the rule is necessary to avoid confusion and repetition.

The reasoned justification for the repeal of the rules is to avoid confusion and make all the rules more streamlined and readable.

No comments were received on the rule as proposed.

The repeal is adopted under Texas Occupations Code, §1101.151, which authorizes the Texas Real Estate Commission to make and enforce all rules and regulations necessary for the performance of its duties and to establish standards of conduct and ethics for its licensees in keeping with the purpose and intent of the Act to ensure compliance with the provisions of the Act.

The statutes affected by this adoption are Texas Occupations Code, Chapter 1101 and Chapter 1102. No other statute, code or article is affected by the adoption.
