FOR IMMEDIATE RELEASE:

Friday, March 10, 2000

The Texas Real Estate Commission (TREC) will be conducting three public forums throughout the remainder of this month as part of its process for developing a biennial update of the agency's five-year strategic plan. Real estate consumers, licensees, and other interested individuals are encouraged to attend one or more of these forums in order to offer their ideas regarding how TREC can best meet the needs of its constituents, both now and in the foreseeable future.

On an ongoing basis, TREC continues to review and evaluate ways to improve agency operations, responsiveness, and effectiveness. Development of a strategic plan helps the Commission prioritize various procedures and programs that can be implemented through its own future policy initiatives, or with approval of the Governor and Legislature as appropriate.

All of TREC's planning sessions will be held from 1:00 PM to 4:00 PM on each forum date at the following locations:
