APPLICATION FOR EASEMENT OR RIGHT-OF-WAY REGISTRATION BY A BUSINESS

(PLEASE READ ALL INFORMATION CAREFULLY)

The Real Estate License Act requires a business entity (corporation, LLC or partnership) to be registered as an easement or right-of-way business if the business entity provides easement or right-of-way services. The attached form may be used by a business entity in applying for a business registration.

A corporation is required to designate one of its officers to act for it. An LLC is required to designate a manager to act for it. A general partner of a partnership is required to be designated to act for it. For the application to be approved and a license issued, the designated officer, manager or partner must be individually registered as an active easement or right-of-way agent and will have the authority to act as an easement or right-of-way agent on behalf of the business entity.

Fingerprints for this license will be required from the designated easement or right-of-way agent for the business entity. An applicant who has not been previously fingerprinted for TREC must pay a fee to DPS to get fingerprinted and go through a criminal history background check. **Each registrant is required by law to have fingerprints on file with the Department of Public Safety (DPS) for TREC. Fingerprints on file for other agencies will not be accepted.** The registration will issue once all requirements are met and TREC receives confirmation from DPS that the applicant's fingerprints are on file. The applicant will be required to pay a fee for a background check with each renewal. For additional information regarding fingerprinting requirements, including scheduling an appointment, please visit www.trec.texas.gov. The digital fingerprinting process may take up to 10 days, so plan accordingly. An applicant must pay a registration fee AND a fingerprint fee.

If an applicant has been previously fingerprinted for TREC, additional prints are not required. However, the applicant must pay a subsequent background check fee with the application. An applicant must complete fingerprint requirements within one year after the date the application is filed with TREC or the application will terminate.
